

Conference and Workshop Papers

- [C1] L Härenstam-Nielsen, N Zeller and D Cremers,
Semidefinite Relaxations for Robust Multiview Triangulation,
IEEE Conference on Computer Vision and Pattern Recognition (CVPR), 2023.

- [C2] A Dekel, L Härenstam-Nielsen and S Caccamo,
Optimal least-squares solution to the hand-eye calibration problem,
Proceedings of the IEEE/CVF Conference on Computer Vision and Pattern Recognition (CVPR), June 2020.
